Internship (m/w/d)

Climate Alliance

For more than 30 years, the member municipalities of Climate Alliance have been working in partnership with indigenous peoples of the rainforests for the global climate. With almost 2,000 members from more than 25 countries, Climate Alliance is the largest European city network dedicated to climate action. In answering the question of how climate protection and climate change adaptation should be practiced in our cities and communities, the network combines a local approach with global responsibility.

For our headquarters in Frankfurt am Main, we offer an **internship position** for at least 12 weeks.

Your tasks could be:

- Support one or more EU projects
- Support public relations
- Organise webinars and events
- Support our project management
- ..and much more

What should you bring?

- It should be a mandatory internship as part of your studies
- Interest in climate- and environmentally-relevant topics
- You are reliable, responsible, and enjoy working in a team
- Proficiency in both written and spoken German and English is essential
- You master the current MS Office applications with ease

What do we offer?

- The opportunity to work with a dedicated team on one of the most pressing challenges of our time
- Varied tasks
- Flat hierarchies and many opportunities to contribute your own initiative
- Flexible working within core working hours

Did we piqued your interest?

Then we look forward to getting to know you soon. Please send your complete application documents (cover letter, CV, and certificates in **one** PDF format with a maximum size of 5 MB) indicating your earliest possible start date to career@climatealliance.org.

Feel free to submit your documents without providing information about marital status, place of residence, and a photograph - this makes it easier for us to conduct the application process fairly.

We look forward to receiving your application!
